NOTIFICATION

THE MAHARASHTRA REGIONAL & TOWN PLANNING ACT, 1966

No. TPS-2805/343/CR-51/2005/UD-30:- Whereas the Revised Development Plan of Amaravati along with Development Control Regulations for Amaravati Municipal Corporation (hereinafter referred to as "the said Regulations") have been sanctioned by Government in Urban Development Department under section 31(1) of the Maharashtra Regional and Town Planning Act, 1966 (hereinafter referred to as "the said Act") vide Notification No. TPS-2892/1180/CR-90/92/UD-13, dated 4th December of 1992 to come into force with effect from 25th February of 1993 ;

And whereas, the said Regulations do not contain the provisions for Special Township ;

And whereas, Public Housing has been one of the major concerns of policy planning. It has been realised that there is a need to incentivise investment by private sector in development of housing. With this in mind, Government of India announced its policy to permit 100% direct foreign investment for development of integrated towns. Government of Maharashtra in collaboration with Maharashtra Economic Development Council had organised an International Infrastructure Summit in 2002. A concept paper was presented by the Urban Development, which was widely appreciated. Consultations with planners, architects and developers were held and the Government of Maharashtra finally approved the Special Township Scheme in the year 2004. The idea is to promote private investment in housing sector to facilitate housing at reasonable prices and also to create a hassle free atmosphere for investors. The new policy has to form a part of the existing DCR of Municipal Corporation / Councils and Development Control Regulations for regional plan areas ;

And whereas, accordingly, Development Control Regulations (DCRs) exclusively for Special Townships, (hereinafter referred to as "the said Township Regulations") have been prepared and it is proposed to incorporate the said Regulations, in the Development Control Regulations of all the Municipal Corporations, New Town Development Authorities, Special Planning Authorities, Municipal Councils (hereinafter referred to as "the said Authorities") and also in the Development Control Regulations of all the Regional Plans of the State, by taking recourse to procedure laid down in Section 37 and 20 (as the case may be) of the said Act thereby modifying the relevant Development Plan/Regional Plan in as much as Regulations thereof are concerned (hereinafter referred to as "the said modification") ;

And whereas, under the powers conferred by section 37(1AA) of the said Act, Government in Urban Development Department had published a Notice No. TPS-2805/343/CR-51/2005/UD-30, dated 10th March of 2005 (hereinafter referred to as "the said notice") which appeared in Maharashtra Government Gazette Part-I, Amaravati Division on 14th April of 2005 at pages 69 to 73 in respect of Amaravati Development Plan to invite suggestions/objections from the general public on the said modification and appointed the Deputy Director of Town Planning, Amaravati Division, Amaravati as an Officer to hear the suggestions / objections which may be received and submit his report on the same to Government ;

And whereas, thereafter the said Act has been amended to include the provision for Special Township Project vide Maharashtra Act No.XXIII of 2005 which appeared in Maharashtra Government Gazette (Extra Ordinary) dated 19th May of 2005 ;

And whereas, since the said notice published by the Government was prior to the amendment to the said Act, Government has withdrawn the same and published a fresh notice No. TPS-2805/343/CR-51/2005/UD-30, dated 8th August, 2005 regarding a the said modification under section 37 (1AA) of the said Act which appeared in Maharashtra Government Gazette, dated 1st December of 2005 ;

And whereas, after consulting the Director of Town Planning, Maharashtra State, Pune and after making necessary enquiries the Government is of the opinion that the said modification is necessary and should be sanctioned with some changes ;

Now, therefore, in exercise of the powers conferred by sub section (2) of section 37 of the said Act, Government, hereby, finally sanctions the said Modification with some changes to the said Regulations and for that purpose amends Notification No. TPS-2892/1180/CR-90/92/UD-13, dated 4th December of 1992.

Note:-

A) A copy of the sanctioned Regulations for Development of Special Township in area under Amaravati Development Plan i.e. Schedule-A is kept open for inspection by the general public in the offices of the following officers:

- 1) The Deputy Director of Town Planning, Amaravati Division, Nilgiri, Dr. Agarwal's Building, Vijay Colony, Congress Nagar Road, Near Dr. Jamthe's Dispensary, Amaravati 444 606.
- 2) The Commissioner, Amaravati Municipal Corporation, Amaravati

MANNER OF DECLARATION: Any area identified above and if found suitable can be Notified by Government in Urban Development Department by following procedure under section 37 of the Maharashtra Regional and Town Planning Act 1966 and also in such other manner as may be determined by it for the purpose of development as "Special Township Project".

However, in cases where the proposal of Special Townships is submitted by the land owners by themselves or by the Developer who holds rights to develop the whole land under the Special Township, the procedure under section 37 of the said Act shall not be necessary.

1.3. INFRASTRUCTURE FACILITIES: The entire Township should be an integrated one with all facilities within the boundaries of declared townships. All on site infrastructure, i.e. roads, including Development Plan roads, approach road, street lights, water supply and drainage system shall be provided and maintained in future by the developer till urban local body is constituted for such area and the developer shall also carry out development of amenity or proposals, if any designated in the Development plan, in accordance with the prevailing regulations.

(a) **Water supply:** The developer shall be required to develop the source for drinking water (excluding the groundwater source) or secure firm commitment from any water supply authority for meeting the daily water requirement of minimum 140 litres per capita per day exclusive of requirement of water for fire fighting and gardening. The storage capacity of the same shall be at least 1.5 times of the actual required quantity as determined by expected population (Resident and Floating) and other uses. The developer would be required to develop proper internal distribution and maintenance systems and shall specially undertake rain water harvesting, groundwater recharging and waste water recycling projects within the Township.

(b) **Drainage and Garbage disposal:** The developer shall make suitable and environment friendly arrangements for the disposal and Treatment of sewage and

solid waste as per requirements of Maharashtra Pollution Control Board. Recycling sewage for gardening shall be undertaken by the developer.

The developer shall develop Eco-friendly garbage disposal system by adopting the recycling and bio-degradation system in consultation with Maharashtra Pollution Control Board.

- [c] **Power:** The developer shall ensure continuous and good quality power supply to township area. The developer may draw the power from existing supply system or may go in for arrangement of captive power generation with the approval from concerned authority. If power is drawn from an existing supply system, the developer shall before commencement of development, procure a firm commitment of power for the entire township from the power supply company.

1.4. ENVIRONMENT: The development contemplated in townships shall not cause damage to ecology. Environmental clearance shall be obtained from the Ministry of Environment and Forest, Government of India as per directions issued by the MOEF's notification dated 7th July 2004 and as amended from time to time. The Township shall provide at least 20% of the total area as park/garden/playground as mentioned in 4(f) below, with proper landscaping and open uses designated in the Township which shall be developed by owner/developer. This amenity shall be open to general public without any restriction or discrimination.

2. SPECIAL CONCESSIONS:

- (a) **N.A. Permission:** Non-agriculture permission will be automatic. As soon as the scheme is notified, lands notified under Special Township area as per Regulation No. 1.2 will be deemed to have been converted into non-agriculture and no separate permission is required. Non-agriculture assessment however will commence from the date of sanction of scheme as per Regulation No.7(c).
- (b) **Stamp Duty:** The stamp duty rates applicable in Notified Special Township area shall be 50% of prevailing rates of the Mumbai Stamp Act.
- (c) **Development Charges:** A Special Township Project shall be exempted from payment of Development charges to the extent of 50%.
